The Sustainable Development Goals National Implementation Plan

Annex I: Matrix of Lead and Stakeholder Departments

SUSTAINABLE
DEVELOPMENT
GOALS

7. Appendices

Annex I: Matrix of Lead and Stakeholder Departments

Sustainable Development Goals and Targets		Lead	Stakeholders
Goal 1.			
End poverty in all its forms everywhere			
1.1	By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day	DFAT	DFIN
1.2	By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions	DEASP	DFAT
1.3	Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable	DEASP	
1.4	By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance	DFIN	DEASP, DHPLG, DFAT
1.5	By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters	DHPLG	DEFENCE
1.a	Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions	DFAT	DFIN
1.b	Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender-sensitive development strategies, to support accelerated investment in poverty eradication actions	DFAT	DFIN

Sustainable Development Goals and Targets	Lead	Stakeholders
Goal 2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture		
2.1	By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round	DFAT DoH
2.2	By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons	DoH DCYA, DFAT
2.3	By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment	DFAT DAFM
2.4	By 2030, ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production, that help maintain ecosystems, that strengthen capacity for adaptation to climate change, extreme weather, drought, flooding and other disasters and that progressively improve land and soil quality	DAFM DFAT, DCHG
2.5	By 2020, maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species, including through soundly managed and diversified seed and plant banks at the national, regional and international levels, and promote access to and fair and equitable sharing of benefits arising from the utilization of genetic resources and associated traditional knowledge, as internationally agreed	DAFM DCHG, DFAT

Sustainable Development Goals and Targets		Lead	Stakeholders
2.a	Increase investment, including through enhanced international cooperation, in rural infrastructure, agricultural research and extension services, technology development and plant and livestock gene banks in order to enhance agricultural productive capacity in developing countries, in particular least developed countries	DFAT	DAFM
2.b	Correct and prevent trade restrictions and distortions in world agricultural markets, including through the parallel elimination of all forms of agricultural export subsidies and all export measures with equivalent effect, in accordance with the mandate of the Doha Development Round	DAFM	DFAT
2.c	Adopt measures to ensure the proper functioning of food commodity markets and their derivatives and facilitate timely access to market information, including on food reserves, in order to help limit extreme food price volatility	DAFM	DFAT
Goal 3.			
Ensure healthy lives and promote well-being for all at all ages			
3.1	By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births	DFAT	DoH
3.2	By 2030, end preventable deaths of newborns and children under 5 years of age	DoH	
3.3	By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, water-borne diseases and other communicable diseases	DoH	DFAT
3.4	By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being	DoH	
3.5	Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol	DoH	
3.6	By 2020, halve the number of global deaths and injuries from road traffic accidents	DTTAS	

Sustainable Development Goals and Targets		Lead	Stakeholders
3.7	By 2030, ensure universal access to sexual and reproductive health-care services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes	DoH	
3.8	Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all	DoH	
3.9	By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination	DCCAE	DBEI, DHPLG, DAFM
3.a	Strengthen the implementation of the World Health Organization Framework Convention on Tobacco Control in all countries, as appropriate	DoH	DFIN/Revenue/DFAT
3.b	Support the research and development of vaccines and medicines for the communicable and non-communicable diseases that primarily affect developing countries, provide access to affordable essential medicines and vaccines, in accordance with the Doha Declaration on the TRIPS Agreement and Public Health, which affirms the right of developing countries to use to the full the provisions in the Agreement on Trade-Related Aspects of Intellectual Property Rights regarding flexibilities to protect public health, and, in particular, provide access to medicines for all	DFAT	DoH, DBEI
3.c	Substantially increase health financing and the recruitment, development, training and retention of the health workforce in developing countries, especially in least developed countries and small island developing States	DFAT	DoH
3.d	Strengthen the capacity of all countries, in particular developing countries, for early warning, risk reduction and management of national and global health risks	DFAT	DoH

Sustainable Development Goals and Targets		Lead	Stakeholders
Goal 4.			
Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all			
4.1	By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	DES	
4.2	By 2030, ensure that all girls and boys have access to quality early childhood development, care and pre-primary education so that they are ready for primary education	DCYA	DES
4.3	By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university	DES	
4.4	By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship	DES	DEASP
4.5	By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations	DES	
4.6	By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy	DES	
4.7	By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and non-violence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development	DES	DFAT

Sustainable Development Goals and Targets		Lead	Stakeholders
4.a	Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, non-violent, inclusive and effective learning environments for all	DES	
4.b	By 2020, substantially expand globally the number of scholarships available to developing countries, in particular least developed countries, small island developing States and African countries, for enrolment in higher education, including vocational training and information and communications technology, technical, engineering and scientific programmes, in developed countries and other developing countries	DFAT	DES
4.c	By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States	DFAT	
Goal 5.			
Achieve gender equality and empower all women and girls			
5.1	End all forms of discrimination against all women and girls everywhere	DJE	DFAT
5.2	Eliminate all forms of violence against all women and girls in the public and private spheres, including trafficking and sexual and other types of exploitation	DJE	DFAT
5.3	Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation	DFAT/ DJE	DoH
5.4	Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies and the promotion of shared responsibility within the household and the family as nationally appropriate	DJE	DEASP
5.5	Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life	DJE	DHPLG, DFAT

Sustainable Development Goals and Targets		Lead	Stakeholders
5.6	Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the outcome documents of their review conferences	DoH	
5.a	Undertake reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance and natural resources, in accordance with national laws	DFAT	DJE
5.b	Enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women	DFAT	DJE
5.c	Adopt and strengthen sound policies and enforceable legislation for the promotion of gender equality and the empowerment of all women and girls at all levels	DJE	DFAT
Goal 6.			
Ensure availability and sustainable management of water and sanitation for all			
6.1	By 2030, achieve universal and equitable access to safe and affordable drinking water for all	DHPLG	
6.2	By 2030, achieve access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations	DFAT/ DHPLG	
6.3	By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally	DHPLG	DCCAE
6.4	By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity	DHPLG	

Sustainable Development Goals and Targets		Lead	Stakeholders
6.5	By 2030, implement integrated water resources management at all levels, including through transboundary cooperation as appropriate	DHPLG	
6.6	By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes	DHPLG	DAFM, DCCAE, DCHG
6.a	By 2030, expand international cooperation and capacity-building support to developing countries in water- and sanitation-related activities and programmes, including water harvesting, desalination, water efficiency, wastewater treatment, recycling and reuse technologies	DFAT	DHPLG (GEMS project)
6.b	Support and strengthen the participation of local communities in improving water and sanitation management	DFAT	DHPLG
Goal 7.			
Ensure access to affordable, reliable, sustainable and modern energy for all			
7.1	By 2030, ensure universal access to affordable, reliable and modern energy services	DCCAE	DEASP, DFAT
7.2	By 2030, increase substantially the share of renewable energy in the global energy mix	DCCAE	
7.3	By 2030, double the global rate of improvement in energy efficiency	DCCAE	
7.a	By 2030, enhance international cooperation to facilitate access to clean energy research and technology, including renewable energy, energy efficiency and advanced and cleaner fossil-fuel technology, and promote investment in energy infrastructure and clean energy technology	DFAT	
7.b	By 2030, expand infrastructure and upgrade technology for supplying modern and sustainable energy services for all in developing countries, in particular least developed countries, small island developing States, and land-locked developing countries, in accordance with their respective programmes of support	DFAT	

Sustainable Development Goals and Targets		Lead	Stakeholders
Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all			
8.1	Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross domestic product growth per annum in the least developed countries	DFIN/ DFAT	
8.2	Achieve higher levels of economic productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors	DBEI	DCCAE
8.3	Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services	DBEI	DFIN
8.4	Improve progressively, through 2030, global resource efficiency in consumption and production and endeavour to decouple economic growth from environmental degradation, in accordance with the 10-year framework of programmes on sustainable consumption and production, with developed countries taking the lead	DCCAE	DFIN
8.5	By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value	DBEI	DJE/DEASP
8.6	By 2020, substantially reduce the proportion of youth not in employment, education or training	DEASP	DES, DCYA,
8.7	Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms	DFAT/ DJE	DBEI

Sustainable Development Goals and Targets		Lead	Stakeholders
8.8	Protect labour rights and promote safe and secure working environments for all workers, including migrant workers, in particular women migrants, and those in precarious employment	DBEI/ DEASP	
8.9	By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products	DTTAS	DCHG
8.10	Strengthen the capacity of domestic financial institutions to encourage and expand access to banking, insurance and financial services for all	DFIN	
8.a	Increase Aid for Trade support for developing countries, in particular least developed countries, including through the Enhanced Integrated Framework for Trade-Related Technical Assistance to Least Developed Countries	DFAT	
8.b	By 2020, develop and operationalize a global strategy for youth employment and implement the Global Jobs Pact of the International Labour Organization	DBEI/ DEASP	
Goal 9.			
Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation			
9.1	Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all	DPER	DFIN, DHPLG, DTTAS
9.2	Promote inclusive and sustainable industrialization and, by 2030, significantly raise industry's share of employment and gross domestic product, in line with national circumstances, and double its share in least developed countries	DBEI	DFAT
9.3	Increase the access of small-scale industrial and other enterprises, in particular in developing countries, to financial services, including affordable credit, and their integration into value chains and markets	DFIN	DFAT

Sustainable Development Goals and Targets		Lead	Stakeholders
9.4	By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities	DCCAE	DFIN, DBEI
9.5	Enhance scientific research, upgrade the technological capabilities of industrial sectors in all countries, in particular developing countries, including, by 2030, encouraging innovation and substantially increasing the number of research and development workers per 1 million people and public and private research and development spending	DBEI	DFAT
9.a	Facilitate sustainable and resilient infrastructure development in developing countries through enhanced financial, technological and technical support to African countries, least developed countries, landlocked developing countries and small island developing States	DFAT	
9.b	Support domestic technology development, research and innovation in developing countries, including by ensuring a conducive policy environment for, inter alia, industrial diversification and value addition to commodities	DFAT	
9.c	Significantly increase access to information and communications technology and strive to provide universal and affordable access to the Internet in least developed countries by 2020	DFAT	
Goal 10. Reduce inequality within and among countries			
10.1	By 2030, progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average	DFIN	DEASP, DBEI, DFAT
10.2	By 2030, empower and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status	DJE	All Depts

Sustainable Development Goals and Targets		Lead	Stakeholders
10.3	Ensure equal opportunity and reduce inequalities of outcome, including by eliminating discriminatory laws, policies and practices and promoting appropriate legislation, policies and action in this regard	DJE	All Depts
10.4	Adopt policies, especially fiscal, wage and social protection policies, and progressively achieve greater equality	DFIN	DEASP, DFAT
10.5	Improve the regulation and monitoring of global financial markets and institutions and strengthen the implementation of such regulations	DFIN	DFAT
10.6	Ensure enhanced representation and voice for developing countries in decision-making in global international economic and financial institutions in order to deliver more effective, credible, accountable and legitimate institutions	DFIN	DFAT
10.7	Facilitate orderly, safe, regular and responsible migration and mobility of people, including through the implementation of planned and well-managed migration policies	DJE	DFAT
10.a	Implement the principle of special and differential treatment for developing countries, in particular least developed countries, in accordance with World Trade Organization agreements	DFAT	DBEI
10.b	Encourage official development assistance and financial flows, including foreign direct investment, to States where the need is greatest, in particular least developed countries, African countries, small island developing States and landlocked developing countries, in accordance with their national plans and programmes	DFAT	
10.c	By 2030, reduce to less than 3 per cent the transaction costs of migrant remittances and eliminate remittance corridors with costs higher than 5 per cent	DFIN	DFAT

Sustainable Development Goals and Targets		Lead	Stakeholders
Goal 11.			
Make cities and human settlements inclusive, safe, resilient and sustainable			
11.1	By 2030, ensure access for all to adequate, safe and affordable housing and basic services and upgrade slums	DHPLG	
11.2	By 2030, provide access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons	DTTAS	
11.3	By 2030, enhance inclusive and sustainable urbanization and capacity for participatory, integrated and sustainable human settlement planning and management in all countries	DHPLG	
11.4	Strengthen efforts to protect and safeguard the world's cultural and natural heritage	DCHG	
11.5	By 2030, significantly reduce the number of deaths and the number of people affected and substantially decrease the direct economic losses relative to global gross domestic product caused by disasters, including water-related disasters, with a focus on protecting the poor and people in vulnerable situations	DHPLG	DFAT, DPER (OPW), DEFENCE
11.6	By 2030, reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality and municipal and other waste management	DCCAE	DTTAS, DHPLG
11.7	By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities	DHPLG	DRCD
11.a	Support positive economic, social and environmental links between urban, peri-urban and rural areas by strengthening national and regional development planning	DHPLG	DCHG

Sustainable Development Goals and Targets		Lead	Stakeholders
11.b	By 2020, substantially increase the number of cities and human settlements adopting and implementing integrated policies and plans towards inclusion, resource efficiency, mitigation and adaptation to climate change, resilience to disasters, and develop and implement, in line with the Sendai Framework for Disaster Risk Reduction 2015-2030, holistic disaster risk management at all levels	DHPLG	DPER (OPW), DFAT, DCCAE, DEFENCE
11.c	Support least developed countries, including through financial and technical assistance, in building sustainable and resilient buildings utilizing local materials	DFAT	
Goal 12. Ensure sustainable consumption and production patterns			
12.1	Implement the 10-year framework of programmes on sustainable consumption and production, all countries taking action, with developed countries taking the lead, taking into account the development and capabilities of developing countries	DCCAE	DBEI
12.2	By 2030, achieve the sustainable management and efficient use of natural resources	DCCAE	DCHG
12.3	By 2030, halve per capita global food waste at the retail and consumer levels and reduce food losses along production and supply chains, including post-harvest losses	DAFM	DCCAE, DFAT
12.4	By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their life cycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil in order to minimize their adverse impacts on human health and the environment	DCCAE	DBEI
12.5	By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse	DCCAE	
12.6	Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle	DBEI	DCCAE

Sustainable Development Goals and Targets		Lead	Stakeholders
12.7	Promote public procurement practices that are sustainable, in accordance with national policies and priorities	DPER – OGP	
12.8	By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature	DCCAIE	DCHG, DES
12.a	Support developing countries to strengthen their scientific and technological capacity to move towards more sustainable patterns of consumption and production	DFAT	
12.b	Develop and implement tools to monitor sustainable development impacts for sustainable tourism that creates jobs and promotes local culture and products	DTTAS	DFAT, DCHG
12.c	Rationalize inefficient fossil-fuel subsidies that encourage wasteful consumption by removing market distortions, in accordance with national circumstances, including by restructuring taxation and phasing out those harmful subsidies, where they exist, to reflect their environmental impacts, taking fully into account the specific needs and conditions of developing countries and minimizing the possible adverse impacts on their development in a manner that protects the poor and the affected communities	DCCAIE	DFAT, DFIN
Goal 13.			
Take urgent action to combat climate change and its impacts			
13.1	Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries	DCCAIE	DHPLG, DFAT, DEFENCE (OEP), DCHG
13.2	Integrate climate change measures into national policies, strategies and planning	DCCAIE	DAFM, DTTAS, DHPLG, DCHG
13.3	Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning	DCCAIE	DES, DHPLG (Met Eireann), OPW, DFIN

Sustainable Development Goals and Targets		Lead	Stakeholders
13.a	Implement the commitment undertaken by developed-country parties to the United Nations Framework Convention on Climate Change to a goal of mobilizing jointly \$100 billion annually by 2020 from all sources to address the needs of developing countries in the context of meaningful mitigation actions and transparency on implementation and fully operationalize the Green Climate Fund through its capitalization as soon as possible	DCCAE	DFIN, DFAT
13.b	Promote mechanisms for raising capacity for effective climate change-related planning and management in least developed countries and small island developing States, including focusing on women, youth and local and marginalized communities	DFAT	
Goal 14.			
Conserve and sustainably use the oceans, seas and marine resources for sustainable development			
14.1	By 2025, prevent and significantly reduce marine pollution of all kinds, in particular from land-based activities, including marine debris and nutrient pollution	DHPLG	DAFM
14.2	By 2020, sustainably manage and protect marine and coastal ecosystems to avoid significant adverse impacts, including by strengthening their resilience, and take action for their restoration in order to achieve healthy and productive oceans	DHPLG	DCHG, DAFM
14.3	Minimize and address the impacts of ocean acidification, including through enhanced scientific cooperation at all levels	DAFM (Marine Coordination Group)	DHPLG
14.4	By 2020, effectively regulate harvesting and end overfishing, illegal, unreported and unregulated fishing and destructive fishing practices and implement science-based management plans, in order to restore fish stocks in the shortest time feasible, at least to levels that can produce maximum sustainable yield as determined by their biological characteristics	DAFM	DCCAE

Sustainable Development Goals and Targets		Lead	Stakeholders
14.5	By 2020, conserve at least 10 per cent of coastal and marine areas, consistent with national and international law and based on the best available scientific information	DHPLG	DCHG, DAFM
14.6	By 2020, prohibit certain forms of fisheries subsidies which contribute to overcapacity and overfishing, eliminate subsidies that contribute to illegal, unreported and unregulated fishing and refrain from introducing new such subsidies, recognizing that appropriate and effective special and differential treatment for developing and least developed countries should be an integral part of the World Trade Organization fisheries subsidies negotiation	DAFM	DCCAE
14.7	By 2030, increase the economic benefits to Small Island developing States and least developed countries from the sustainable use of marine resources, including through sustainable management of fisheries, aquaculture and tourism	DFAT	
14.a	Increase scientific knowledge, develop research capacity and transfer marine technology, taking into account the Intergovernmental Oceanographic Commission Criteria and Guidelines on the Transfer of Marine Technology, in order to improve ocean health and to enhance the contribution of marine biodiversity to the development of developing countries, in particular small island developing States and least developed countries	DAFM (Marine Coordi- nation Group)	DFAT
14.b	Provide access for small-scale artisanal fishers to marine resources and markets	DAFM	DFAT
14.c	Enhance the conservation and sustainable use of oceans and their resources by implementing international law as reflected in UNCLOS, which provides the legal framework for the conservation and sustainable use of oceans and their resources, as recalled in paragraph 158 of The Future We Want	DFAT	DAFM, DHPLG

Sustainable Development Goals and Targets		Lead	Stakeholders
Goal 15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss			
15.1	By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements	DAFM	DCHG
15.2	By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally	DAFM	DCHG
15.3	By 2030, combat desertification, restore degraded land and soil, including land affected by desertification, drought and floods, and strive to achieve a land degradation-neutral world	DFAT	DAFM, DCHG
15.4	By 2030, ensure the conservation of mountain ecosystems, including their biodiversity, in order to enhance their capacity to provide benefits that are essential for sustainable development	DCHG	DHPLG
15.5	Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species	DCHG	DAFM
15.6	Promote fair and equitable sharing of the benefits arising from the utilization of genetic resources and promote appropriate access to such resources, as internationally agreed	DCHG	DAFM
15.7	Take urgent action to end poaching and trafficking of protected species of flora and fauna and address both demand and supply of illegal wildlife products	DCHG	
15.8	By 2020, introduce measures to prevent the introduction and significantly reduce the impact of invasive alien species on land and water ecosystems and control or eradicate the priority species	DCHG	

Sustainable Development Goals and Targets		Lead	Stakeholders
15.9	By 2020, integrate ecosystem and biodiversity values into national and local planning, development processes, poverty reduction strategies and accounts	DCHG	
15.a	Mobilize and significantly increase financial resources from all sources to conserve and sustainably use biodiversity and ecosystems	DCHG	DAFM
15.b	Mobilize significant resources from all sources and at all levels to finance sustainable forest management and provide adequate incentives to developing countries to advance such management, including for conservation and reforestation	DFAT	DAFM, DFIN,
15.c	Enhance global support for efforts to combat poaching and trafficking of protected species, including by increasing the capacity of local communities to pursue sustainable livelihood opportunities	DCHG	DFAT
Goal 16.			
Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels			
16.1	Significantly reduce all forms of violence and related death rates everywhere	DJE	DFAT, DEFENCE
16.2	End abuse, exploitation, trafficking and all forms of violence against and torture of children	DJE	DCYA
16.3	Promote the rule of law at the national and international levels and ensure equal access to justice for all	DJE	
16.4	By 2030, significantly reduce illicit financial and arms flows, strengthen the recovery and return of stolen assets and combat all forms of organized crime	DJE	
16.5	Substantially reduce corruption and bribery in all their forms	DJE	DPER
16.6	Develop effective, accountable and transparent institutions at all levels	DPER	
16.7	Ensure responsive, inclusive, participatory and representative decision-making at all levels	DPER	DRCD

Sustainable Development Goals and Targets		Lead	Stakeholders
16.8	Broaden and strengthen the participation of developing countries in the institutions of global governance	DFAT	
16.9	By 2030, provide legal identity for all, including birth registration	DFAT	DEASP
16.10	Ensure public access to information and protect fundamental freedoms, in accordance with national legislation and international agreements	DPER	
16.a	Strengthen relevant national institutions, including through international cooperation, for building capacity at all levels, in particular in developing countries, to prevent violence and combat terrorism and crime	DFAT	DJE, DEFENCE
16.b	Promote and enforce non-discriminatory laws and policies for sustainable development	DJE	
Goal 17.			
Strengthen the means of implementation and revitalize the global partnership for sustainable development			
Finance			
17.1	Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection	DFAT	DFIN,
17.2	Developed countries to implement fully their official development assistance commitments, including the commitment by many developed countries to achieve the target of 0.7 per cent of ODA/GNI to developing countries and 0.15 to 0.20 per cent of ODA/GNI to least developed countries ODA providers are encouraged to consider setting a target to provide at least 0.20 per cent of ODA/GNI to least developed countries	DFAT	DFIN
17.3	Mobilize additional financial resources for developing countries from multiple sources	DFIN	DFAT

Sustainable Development Goals and Targets		Lead	Stakeholders
17.4	Assist developing countries in attaining long-term debt sustainability through coordinated policies aimed at fostering debt financing, debt relief and debt restructuring, as appropriate, and address the external debt of highly indebted poor countries to reduce debt distress	DFIN	DFAT
17.5	Adopt and implement investment promotion regimes for least developed countries	DFAT	
Technology			
17.6	Enhance North-South, South-South and triangular regional and international cooperation on and access to science, technology and innovation and enhance knowledge sharing on mutually agreed terms, including through improved coordination among existing mechanisms, in particular at the United Nations level, and through a global technology facilitation mechanism	DFAT	DoH, DES, DBEI
17.7	Promote the development, transfer, dissemination and diffusion of environmentally sound technologies to developing countries on favourable terms, including on concessional and preferential terms, as mutually agreed	DFAT	DoH, DES, DBEI
17.8	Fully operationalize the technology bank and science, technology and innovation capacity-building mechanism for least developed countries by 2017 and enhance the use of enabling technology, in particular information and communications technology	DFAT	DoH, DES, DBEI
Capacity building			
17.9	Enhance international support for implementing effective and targeted capacity-building in developing countries to support national plans to implement all the sustainable development goals, including through North-South, South-South and triangular cooperation	DFAT	DoH, DES, DBEI

Sustainable Development Goals and Targets		Lead	Stakeholders
Trade			
17.10	Promote a universal, rules-based, open, non-discriminatory and equitable multilateral trading system under the World Trade Organization, including through the conclusion of negotiations under its Doha Development Agenda	DFAT	DBEI, DAFM
17.11	Significantly increase the exports of developing countries, in particular with a view to doubling the least developed countries' share of global exports by 2020	DFAT	DBEI, DAFM
17.12	Realize timely implementation of duty-free and quota-free market access on a lasting basis for all least developed countries, consistent with World Trade Organization decisions, including by ensuring that preferential rules of origin applicable to imports from least developed countries are transparent and simple, and contribute to facilitating market access	DFAT	DBEI, DAFM
Systemic issues			
<i>Policy and institutional coherence</i>			
17.13	Enhance global macroeconomic stability, including through policy coordination and policy coherence	DFIN	All Depts
17.14	Enhance policy coherence for sustainable development	DCCAE/ DFAT	All Depts
17.15	Respect each country's policy space and leadership to establish and implement policies for poverty eradication and sustainable development	DFAT	

Sustainable Development Goals and Targets		Lead	Stakeholders
Multi-stakeholder partnerships			
17.16	Enhance the global partnership for sustainable development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in particular developing countries	DFAT	DFIN
17.17	Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships	All Depts	
Data, monitoring and accountability			
17.18	By 2020, enhance capacity-building support to developing countries, including for least developed countries and small island developing States, to increase significantly the availability of high-quality, timely and reliable data disaggregated by income, gender, age, race, ethnicity, migratory status, disability, geographic location and other characteristics relevant in national contexts	DFAT	CSO
17.19	By 2030, build on existing initiatives to develop measurements of progress on sustainable development that complement gross domestic product, and support statistical capacity-building in developing countries	DFAT	CSO
